Daria and David -

Following is a FOIA request for information that apparently came in during my leave pertaining to a correctional facility in Phoenix, Arizona. The requestor is seeking specific water quality information regarding sample results and exceedances for various constituents. Under FOIA, we are only to provide the information that we have on hand...and thus, violations, if any, that have been reported to SDWIS. Actual sample results must be obtained from ADEQ.

Daria...please draft a letter in response to the requestor providing the SDWIS violations, if any, which David can pull from SDWIS and refer the inquirer to ADEQ for the additional information that is being sought. Note, deadline for FOIA response is August 22.
